

What Is "The AI Study Method"?

Name

The R.E.A.P. Method

A simple AI-powered study framework.

R = Research

E = Explain

A = Apply

P = Practice

Most students study like this:

Read → Read → Read → Forget

Top students increasingly study like this:

Research → Explain → Apply → Practice

That's the method.

AutoDM Resource Title

THE AI STUDY METHOD

The R.E.A.P Framework

Research → Explain → Apply → Practice

Study Smarter With AI

Step 1: RESEARCH

Goal

Understand the topic quickly.

Prompt

Act as a research assistant.

Topic:

[INSERT TOPIC]

Goal

Turn difficult topics into simple language.

Prompt

Act as an expert teacher.

Explain:

[INSERT TOPIC]

Explain it like I am 15 years old.

Include:

- Simple explanation
- Real-life examples
- Easy summary

Avoid technical jargon.

Example

Topic:

Artificial Intelligence

Step 3: APPLY

Goal

Convert theory into understanding.

Prompt

Create 5 real-world applications of:

[INSERT TOPIC]

For each example:

- Situation
- Explanation
- Why it matters

Make learning practical.

Example

Topic:

Digital Marketing

Step 4: PRACTICE**Goal**

Test yourself.

Prompt

Act as an exam coach.

Topic:

[INSERT TOPIC]

Create:

- 10 MCQs
- 5 Short Questions
- 2 Long Questions

Provide answers separately.

Example

Topic:

Machine Learning

The AI Notes Method

After completing REAP:

Use this prompt:

Create one-page revision notes.

Topic:

[INSERT TOPIC]

Include:

- Key concepts
- Definitions
- Important formulas
- Exam points

Keep everything concise.

The AI Revision Method

Before exams:

Act as a revision coach.

Topic:

[INSERT TOPIC]

Create:

- 20% concepts that give 80% understanding
- Most important questions
- Common mistakes
- Last-minute revision sheet

The AI Presentation Method

For assignments and seminars:

Act as a presentation expert.

Topic:

[INSERT TOPIC]

Create:

- 10-slide presentation
- Slide titles
- Key points
- Speaker notes

Make it presentation-ready.

30-Minute AI Study Routine

First 10 Minutes

Research

Next 10 Minutes

Explain

Next 5 Minutes

Apply

Final 5 Minutes

Practice

That's the complete R.E.A.P. Method.
