

What Businesses Usually Get Wrong

Mistake #1

Only one follow-up.

Mistake #2

Following up too aggressively.

Mistake #3

Only asking:

Any updates?

No value.

No reason to reply.

Mistake #4

No system.

Everything depends on memory.

The Follow-Up Asset Stack

Every lead should enter:

Email Sequence

WhatsApp Sequence

CRM Pipeline

Reminder Calendar

Lead Tracking Sheet

AutoDM Resource Title

The 5-7-30 Customer Follow-Up System

Keep messages under 50 words.

Reusable AI Prompt #4

Case Study Follow-Up Creator

Act as a business growth consultant.

Business:

[INSERT]

Client Result:

[INSERT]

Create a short success story I can use in follow-up conversations to increase trust.

Reusable AI Prompt #5

Follow-Up Audit Prompt

Act as a sales strategist.

Review my follow-up process:

[PASTE PROCESS]

Tell me:

- What is missing
- Where leads may drop off

- How to improve response rates
 - How to increase conversions
-

Example

Scenario

Digital Marketing Agency

Lead asks:

How much do your services cost?

Most Agencies:

Pricing attached.

End.

Smart Agency:

Pricing attached.

↓

Day 5:

Any questions?

↓

Day 7:

Here's how we helped another client generate more leads.

↓

Day 30:

Checking if this is still a priority for your business.

Result:

More conversations.

More trust.

More sales.
